## **DETAILED ACTION**

### ***Allowable Subject Matter***

**Claims 1-20 are allowed in view of the prior art.**

The following is an examiner's statement of reasons for allowance:

As to claims 1 and 8-10, the prior art of record, taken either alone or in combination, fails to disclose or render obvious the various interferometric methods and apparatus, the methods and apparatus including, in combination with other essential elements, determining displacements as a function of state-rotation and stage position, and determining interferometer model parameters, including coefficients for terms dependent on a variable for beamshear of a measurement beam, using a least square fit, in combination with the rest of the limitations of the above claim.

For further reasoning, see the applicants' arguments dated September 27, 2006 and May 23, 2007 in response to previous Office actions of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Lyons whose telephone number is 571-272-2420. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gregory J. Toatley can be reached on 571-272-2800 ext. 77. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
